An Exclusive Healthcare Partnership delivering international medical coordination, patient support, and recovery management.

ABOUT EMCG

When a family faces a medical crisis, the last thing they need is to **navigate it alone**.

Everlast MedCore Group (EMCG) is an international healthcare coordination company that simplifies global healthcare access — so patients can focus on healing and families can focus on support.

- **Hospital coordination**
- **Specialist access**
- **Travel logistics**
- **Recovery support**

"Healthcare should heal patients — not overwhelm families."
