ABOUT EMCG

Everlast MedCore Group (EMCG) is an international healthcare coordination and medical tourism company dedicated to helping patients and families access world-class treatment, recovery, and rehabilitation services globally.

From hospital coordination and medical travel support to recovery planning and rehabilitation assistance, EMCG professionally manages every stage of the healthcare journey with compassion, professionalism, and comfort.

WHAT WE PROVIDE

- ✓ International hospital coordination
- ✓ Specialist access & treatment planning
- ✓ Medical travel & visa support
- ✓ Recovery & rehabilitation coordination
- ✓ Premium concierge patient services

“

“Healthcare should heal patients — not overwhelm families.”

WHY CHOOSE EMCG

Trusted International Healthcare Coordination

HOSPITAL COORDINATION

Access to world-renowned healthcare facilities and internationally accredited premium hospitals across the globe.

SPECIALIST ACCESS

Direct connections to leading global medical experts and specialized healthcare practitioners worldwide.

MEDICAL VISA ASSISTANCE

Comprehensive support for medical visa documentation and expedited international processing.

TRAVEL COORDINATION

Seamless international travel arrangements, including luxury airport transfers and local transit support.

RECOVERY SUPPORT

Tailored post-treatment rehabilitation planning and premium accommodation for optimal healing.

VIP PATIENT ASSISTANCE

Exclusive on-ground concierge support to professionally cater to all patient and family needs.

DEDICATED PATIENT MANAGERS

Personalized end-to-end case management by experienced and compassionate healthcare coordinators.

INTERNATIONAL GUIDANCE

Expert healthcare guidance for international patients navigating complex cross-border medical treatments.
